

# DCS<sup>2</sup>

## Data & Computational Science Series 2018

The DCS<sup>2</sup> Series brings to the University of Cincinnati research community a variety of innovative workshops and distinguished speakers on advanced research data topics including high performance computing, cloud computing, data visualization, research story-mapping, spatial analysis, artificial intelligence and machine learning.

**April Clyburne- Sherin from Code Ocean will present two workshops on Research Reproducibility**

**Wednesday October 3**  
1:00 pm to -3:00 pm  
Troup Learning Space Conf Rm-MSB G005G

**Integrating reproducible best practices into biomedical and clinical research**

**Thursday October 4**  
10:00 am to -12:00 pm  
CEAS Library Classroom 850D Baldwin

**Preparing your data and code for reproducible publication**

The DCS<sup>2</sup> series is presented by UC Libraries and UCit Research & Development and is supported by an Universal Provider award from UC's Office of the Provost for Faculty Development.
