

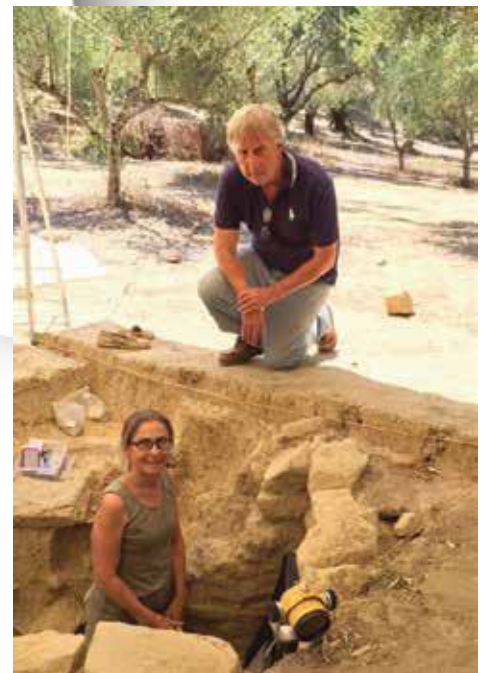

Exhibition in the CLASSICS LIBRARY

The John Miller Burnham Classics Library celebrates professor Jack L. Davis, Carl W. Blegen Professor of Greek Archaeology, and his award of the 2020 Gold Medal for Distinguished Archaeological Achievement, the most prestigious award the Archaeological Institute of America bestows. The exhibition, in the Classics Library main Reading Room, highlights Professor Davis's illustrious academic career and extensive publications. On display are a sampling of his articles, book chapters, book reviews, conference proceedings and more.
